

Patient Overnight Stay Preparation Form

- Kindly fill out the other Patient Forms and present them to the technician upon arrival.
- Bring along a list of medications you are currently taking.
- Please plan to arrive between 8pm and 9 pm.
- The Directions tab on the web site has a link to Mapquest for your convenience.
- Take the evening telephone number into the lab with you should you need to communicate with the technician (516-535-4636).
- Have a safe trip to our facility; we look forward to meeting you.
